

In response to your letter dated January 8, 2009 referencing the 30 Day Post-General Report (10/16/2008 - 11/24/2008) regarding the failure to file a 48 hour notice on the contribution from Sierra Club Political Committee on 11/1/08. The contribution in question was an in-kind contribution, and unfortunately the committee did not receive notice of the contribution from the donor until after the 48 hour reporting period was over and was thus unable to file a 48 hour notice. However, the committee wanted to accurately report the correct date on which the in-kind contribution was actually made. The committee has reviewed its procedures to ensure it is making its best efforts to accurately report all required information.
